Dear Sir/Madam:

The above-referenced application was filed at the U.S. Patent and Trademark Office on Thursday, January 17, 2002 (copy of hand-delivered postcard stamped received by the USPTO attached as Exhibit A). The return-receipt postcard returned to Applicants by the USPTO with the serial number affixed indicated a filing date of Tuesday, January 15, 2002 and failed to indicate the new serial number assigned to the application (see copy attached as Exhibit B).

The Official Filing Receipt mailed by the Patent Office on March 29, 2002 erroneously indicated a filing date of January 15, 2002, as well as error in the name of one of the listed inventors.

Please therefore correct the filing date of this application to **January 17, 2002** and correct the name of the inventor "**Richard Ebner**" to **Reinhard Ebner**. A copy of the Filing Receipt noting the corrections is also attached hereto as Exhibit C.
